Handled With	Well handled heifers drafted off a large herd of replacements. Very good to work with and draft Bikes
Assessor Comments	"Annsfield" offer a very even line of heifers surplus to requirements, carrying Te Mania, Kunuma and Battersby bloodlines. Heifers have come through a very wet winter and will only go forward with Spring conditions in front of them. 2020 August/October drop heifers ideal to put away as future breeders. Freeze branded and tagged for easy identification. Drenched with Coopers Paramax on the 6/10. Two heifers presented with scarring on the eye that dose not appear to be detrimental.
