| Assessor Comments  | A neat line of NSM Angus heifers. Heifers show good weight for their age, are easy to handle and are showing great shape coming into the spring and will be of ease to join in the coming months. Heifers weigh an average of 366KG at assessment.                                                                                                                                           |
