Very Good	35%								
Good	55%								
Fair	10%								
Assessor Comments	Lansdowne & Poll Boonoke bloodline Merino wether lambs - March/April drop & unshorn In strong store condition & ideal woolgrower replacements. Pemberley is first class sheep breeding and woolgrowing country allowing sheep to reach full genetic potential and gain. The expectation & genetics would suggest they will produce good quality stylish heavy woolcuts in the future. Normal wether horn is tipped , a small number heavy horn cut close to the head & the balance are polls.
