| Assessor Comments            | Genuine store lambs that are yet to have a check. Lambs are still very fresh in the skins and have some good cover over there backs already, would actually suit a light kill order as well as dressing up into a good heavy trade or export lamb given the opportunity on the feed. With the hard work been done for you take them home and watch them thrive.                                         |                |  |           |      |
