Assessor Comments	460 vendor bred poll dorset / merino cross suckers .A great opportunity to purchase a line of forward suckers which are the progeny of Felix Poll Dorset rams over a large frame Rocklyn bld Merino ewe. These suckers are just starting to pick up a little grass seed due to the season usually these lambs would be fed and aimed at domestic and export markets this year vendor has decided to sell due to cropping program. This line of suckers are the top out of 950 lambs and it wouldnt take long to see a return.
