Assessor Comments	A nice line of 153 April/May 2021 drop merino wether lambs these lambs have been put onto great feed since weaning and are steaming ahead. The Hampson family have been on broula blood for five years now, these lambs would be great to put and make heavy export kill lambs or retain for great wool cutters. All lambs have been full crutched, wigged, and pizzles crutched , a tail was removed at assessment
