Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	A nice line of ws/su/mo X mixed sex lambs that are the first offering from this vendor as they are starting out their young breeding flock, the SA bred merino ewes have a done a impressive job on the lambs given the tough start but have flourished on the adjistment river block they are currently on. Lambs are ready to have the wool knocked off and power ahead with the opportunity to fresh feed. *Please note: vendor does have a small truck they could assist with freight within reason.
