Assessor Comments	Good opportunity to purchase this great quality line of 315 XBred Store Lambs. The Lambs have good shape and muscle for their age. These lambs were imprint fed grain while still on mum and were then weaned a month ago, drenched,had their 5 in 1 Booster shot, put in a quality pasture paddock with Barley in self feeders and have been averaging weight gain of approx 350 grams a day. Ideal lambs to take home shear and do a job on for the Red Hot XMAS New Year period. Lambs that will grow into heavy trade or export lambs. Please note a tail of 50 lambs were taken out at assessment. Dirty lambs will be cleaned up before delivery.
