| Any Access To Rams or Stags? | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                                                                 |
| Assessor Comments            | Well bred 2nd X store suckers predominantly July 2021 drop. Majority of these lambs still present in fresh condition with the odd lamb starting to dry in the tip. These lambs are doing exceptionally well for their age and are ideal to tip out and have finished for Autumn and early winter markets. Every lamb in this lot was weighed between 32kg and 45kg. Please note that the the vendor has 2 other lots in the same Auction totaling 365 and 740. |
