Vaccinates

Vendor Comments	Annual Sale of Store lambs
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	Well bred store suckers May/Jun 2021 drop ex large frame 1st X Ewes by Aberdeen Blood Rams. The Lambs have dried in the tip since weaning but are good growthy lambs that will make export or trade lambs if given the right treatments. These suckers have been trail fed grain on their mothers and will know all about grain if placed on feeders. Please note that there is the odd dirty lamb in the photos but all dirty lambs will be cleaned before delivery.
