Assessor Comments	A nicely presented draft of Poll Dorset sired lambs presenting in principally fresh condition. Representing the lead of nearly 1000 lambs, they are healthy and on the move, having come through a tough winter and spring. Sired by quality Barwon Poll Dorset rams and 5-in-1 vaccinated twice, they are nicely bred and the ideal article to take on and will be weaned onto the truck. Genuine late drop lambs, they have time and breeding on their side to carry through to trade or heavy trade lambs. A neat 4 decks, representing a great opportunity to take on healthy, lightweight, late drop lambs to finish (NOTE: a further 4 deck line of similarly bred & weighted lambs on offer this sale, (located within 30km) with a total offering of 1155 head)
