	Very Good	50%				
Assessor Comments	A nice line of fresh wether lambs, being the second draft of 500 lambs. Only July August drop, so you have the advantage to put the Spring on them, and grow them right out. Very well bred by the Yarram Park, Chrome and Pardo rams and will grow out given the opportunity. There is plenty of shape, bone and length in these lambs. Lambs were weaned and drenched onto fresh clover paddocks.
