Assessor Comments	A handy draft of White Suffolk cross Poll Merino wether lambs 45kg in forward condition that should easily grow out to heavy weights with feeding. These young April/May drop lambs had B12 plus 6in1 in Sept and running on pastures which have seen them bulk up and handle well. Sired by Oakdale rams out of large SA bred Poll Merinos ***Note- another 2 lines of ewe lambs 390 & 130 also offered in this sale***
