Vendor Comments	Very happy with how they line up
Assessor Comments	Great line of well bred lambs with a very good top in them. All weighed through the auto drafter from 38 - 47kg, I'd expect these lambs to steam ahead on good feed and be turned off in a short amount of time. They are well weaned and will no doubt please the purchaser. Note the small dash of SAMM in a few of these lambs, adding some extra shape and do ability. Other store x/b lambs from the district in this sale to make full loads.
