Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	Ripping line of fresh, young, July drop lambs well on the do. All lambs weighed through the auto drafter, from 35 - 51kg, leaving a very even line. There's a good percentage that would make a trade lamb now, or sit back and take onto heavy weights! Lambs are well weaned with all the treatments. Other lambs from the area in this sale to assist with making loads.
