Assessor Comments	Each-way opportunity on this neat line of ewe lambs. Vendor has mulesed them to make them more suitable as a breeder, or finish them as prime lambs. They come out of a fertile, large frame flock and have normally been finished on lucerne as top quality trade/export lambs. Large tail drafted off, leaving them an even line. Vendor's wether lambs from the line in this sale also, along with other lots from the area to make up loads.
