Vendor Comments	Normally keep them and finish on lucerne, but feed is now running out.
Assessor Comments	Good line of quality store lambs. Plenty of weight for a quick turn around, or set them up for heavy weights. Tail drafted off, leaving them a very even line. They come out of a large frame flock and have normally been finished on lucerne as top quality trade/export lambs. Vendor's ewe lambs from the line in this sale also, along with other lots from the area to make up loads. Note, 2 black lambs in the line.
