Assessor Comments	Outstanding line of well bred lambs from the Rudiger family. All weighed through the auto-drafter from 40 - 47kg, expect them to flourish on good feed. All the hard work has been done here, with a proper weaning program and fully crutched. With the ability to use stud rams from the vendor's own high performance White Suffolk stud, these lambs come with my highest recommendation. Note, 2 black lambs in the line. Other lambs from the district in this sale to assist with making up loads.
