Assessor Comments	Very good opportunity for a large line of vendor bred mainly second cross lambs. Weaned and drenched recently these lambs present very well. Running on a sown crop of oats, ryegrass and clover is keeping these lambs fresh. Cleared by PIRSA to be foot rot free just recently. Dirty lambs will be crutched before delivery. Vendor has 1400 lambs in 2 lines as a run out the gate. A 6 deck load and a 4 deck load. Please note I have assessed 186 lmbs of the 1400 as a single line, assessment will show assessed 186 of the 840.
