Assessor Comments	Great line of SECOND CROSS Mixed sex lambs. **Tight weight spread of 6-8kg. 32kg AVG.** Even weights all auto drafted and a credit to the vendor. Early weaned but still moving forward. Perfect lot to feed on or turn out onto stubbles shortly, for a longer term trade, taking advantage of heavier weights and pricing. Lambs will do the job and will grow on well. Jetted and dirty lambs will be crutched at delivery so could be turned straight out off the truck. Health Treatments up to date. Back the trailer up and jump them off with confidence.
