Vendor Comments	Top draft of this years Wether lambs and looking very fresh off shears		
	Wrinkle Score Plain 70% Light 30%		
Assessor Comments	A good even line of well bred & well shorn store Merino Wether lambs ideal to lob onto the hay stubbles. Lambs are plain bodied and have good stretch to be able to grow out and carry them into heavy trade/export weight lambs when grown out. These wether lambs present if fresh fwd store condition and will bounce ahead given the opportunity on fresh green feed or stubbles. Lambs are Baderloo/Glenville Bld and are the lead draft out of 400 lambs. Ideal line of freshly shorn store lambs, ready to drop straight into the paddock. Odd few lambs with weepy eyes from shearing and dust in yards.
