Assessor Comments	These ewes are premium quality, testament to the time and money invested into this flock. Heavy cutting, long bodied, fertile flock of top Ewes. Rams purchased ex Charinga stud at \$10k -\$20k on regular basis are used to generate this premium article. Cannot say enough to warrant the high degree of style and type associated with this mob of sheep. All ewes are scanned and wet and dried every year. Proven breeders. 2 lots of maiden ewes in this same auction. These ewes will add substantial value to any operation. Highly recommended by assessor. Reserved @ \$190
