Assessor Comments	Breeders ewes from oatleigh that were taken out as dries at lamb marking time. Due to excess numbers, these ewes are getting offered for sale . The oatleigh ewes are extremely fertile and regularly mark in excess of 160% of lambs. The breeding program at Oatleigh is second to none and are diligent on key profit drivers. These ewes are Ideal to join again for an autumn or winter lamb. These ewes are all very sound and functional with any unsuitable for breeding removed. All the 5 yr old ewes were mouthed and bad mouths removed. All feet and udders checked also.
