Assessor Comments	An excellent opportunity to purchase 2 decks of future breeder SRS Merino bloodline sheep. These ewes are very plain bodied, long stretchy ewes which is what the shearers want these days. 100% of the mob was assessed for the bottom weight to be 40kg and for the lot to AVG 50.1kg at assessment for which they are ready for the ram of your choice. At assessment there were 4 ewes displaying horn. Very tidy line of ewes.
