Assessor Comments	A credit to the Vendor. These ewes present exceptionally well. Good frame, length and depth, clean in the skin & all animal husbandry up to date. They are by the Kegra Super border rams out of large frame Winyar blood merino ewes. They are Gudair vaccinated, have had both 6 in 1 vaccinations + a booster in September this year, they were drenched in August & dipped with Assassin in September. A very nice line of 1st x ewes that come highly recommended. Please note that vendor has Two lots of ewes in sale (200 & 199 a run out the gate)
