Assessor Comments	A good quality line of White Suffolk X Merino ewe lambs and hoggets. Lambs are beginning to cut their 2 teeth. Plenty of frame and growth for their age and present in forward store to prime condition, ideal to join to the ram of your choice. 10% tail has been removed from consignment. There are 2 marks in this consignment, roughly being 75% 25% split. (Note that there are multiple coloured tags in one mark, all these are the same drop) These ewes present as an excellent opportunity to purchase young prime lamb future breeders, with the cross held in high regard for being exceptional mothers. These ewes will be offered in 3 run out the gate lots of 125. The entire 375 ewes have been tipped over by the district vet from the DPI twice to be given a clear bill of health in their feet for buyer confidence.
