Assessor Comments	An opportunity to secure a good quality line of vendor bred Merino Ewe Lambs and Hoggets. These Ewes carry infusion bloodlines of Wallaloo Park and Leahcim Merinos which vendor has been on for over 15 years. These Ewes are a class draft of 1000 on adgismnt from SA and present in fresh forward store condition. Ewes were shorn in early September and cut 17 micron of quality Merino wool and are growing out nicely to become functional future breeders. These Ewes would compliment any operation to join back to the Merino or to any terminal. 80% still with Lambs teeth and 20% have cut two teeth.
