Assessor Comments	116 Merino ewes, 4 years , bred from an excellent fine wool merino operation. Ewes offered could fit into any program; self-replacing fine wool program or as terminal lamb mothers (purchasers from recent years have been extremely impressed with the performance on lambs and wool income). Flock carries good structure, fantastic type and outstanding wool quality, along with excellent bone within a fine wool sheep. Ideal opportunity to secure middle aged ewes 'Classed Breeders' with a genuine medium frame to join immediately. Ewes will present in a fresh and very healthy condition, top % of ewes in excellent condition with balance in a very good forward condition.
