Assessor Comments	500 - 2014 drop merino ewes that are carrying a bright white characteristic 80 mm staple giving the purchaser an opportunity to make a quick return on their investment. These ewes done a terrific job on this years lambs weaning 110%. These ewes lambs are still on them & will be weaned at delivery so there will be some ewes still bagged up. Odd ewe with light dag. If ewes weren't shorn shortly after arrival they would benefit from crutching in my opinion. AV 60.1 KG AT ASSESSMENT. THESE EWES PROGENY ARE ON OFFER IN THE LAMB SALE ALSO.
