Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	Young ewes that have had a tough start in life. These ewes are well renowned for growing into big SA blood sheep. Given the right opportunity they will continue to grow and still turn into big sheep, but are still a handy line of sheep now. Low reserve of \$200 as the vendor would like the ewes to sell.
