Assessor Comments	An attractive line of 1.5yr old ewes which are bred from a highly productive Ewe Flock that annually average 18 microns . These young maidens are of good medium frame and are in strong forward condition. They are classed ewes that are about to commence the beginning of their productive life, they would be ideal to join to either wool or terminal sire of your choice . Quality young ewes that represent half of the age group of classed hogget ewes with ample depth and bone . There is 480 1.5yr old Ewes that will be offered over 2 lines and will be delivered as a run out the gate of 240 Ewes. Note - Vendor has 7 lines of Ewes over 4 age groups on offer in this National Sheep Sale as a Flock Dispersal that represents a life time of selective, passionate breeding.
