Assessor Comments	A very good line of predominately flat back type red steers. 1 brand steers showing growth, constitution and natural muscling. Stock of this quality are hard to secure. There is plenty of opportunity in these steers, marketable at any stage of their lifetime. All #0 steers were mouthed & displayed milk teeth. These cattle are tick & chemical free & would be an asset to anyone. Please note vendor has 2 lots of steers & 1 lot of heifers in same sale.
