	Very good to handle through the yards & crush, the odd steer slightly uncomfortable when confined or mouthed. When returned to the mob they settle well, very quiet to walk through and very inquisitive, happy to follow you around the yard. The vendors put a lot of time & effort into the education & temperament of their cattle & it shows.					
Handled With	Bikes , On foot , Vehicles					
Assessor Comments	Very good quality steers showing good growth, heavy bone & muscle. Good soft creamy & red factor type Charolais colours, with a small number of Santa cross & soft Charbray types. 3 steers with very minor content Charolais/Brahman/Charolais cross - browns or blacks amongst others. Overall a good mob of Charolais & crossbred steers to background. The Apache cattle have been regularly purchased by repeat buyers as weaners to background and feed on with top results obtained. 104 feeder steers plus 1 deck of heifer weaners also offered in the sale.
