Very good to handle through the yards & crush, the odd steer slightly uncomfortably when confined. When returned to the mob they settle well, very quiet to walk through and very inquisitive, happy to follow you around the yard. The vendors put a lot of time & effort into the education & temperament of their cattle & it shows.

Assessor Comments

Very good quality heifers showing good growth, heavy bone & muscle. Good soft creamy & red factor type Charolais colours with a small number of Santa cross & soft Charbray types. Heifers suitable to grow out as replacements or background to feeder weights. The Apache cattle have been regularly purchased by repeat buyers as weaners to background and feed on with top results obtained. 104 feeder steers plus 1 deck of lighter steers also offered in the sale.
