Assessor Comments	A 2 x deck line of GQ Santa & Ultrablack heifers that present in store to forward store condition and best described as medium to large frame. Plenty of compensatory gains to be had with these cattle with a good frame and big curfew (mustered & walked 20kms on Monday, processed Tuesday & assessed Wednesday morning). Heifers have been continuously joined to Nindooinbah Ultrablack bulls and were station preg tested on Tuesday 30/11/21 with 46 x presenting empty and 10 x heifers being 1-3 months in calf.
