Assessor Comments	Buyers a opportunity to buy a run of VGQ PCAS eligible crossbred weaner bulls. These weaners have all the right bloodlines and genetics and are best described as medium to large frame relative to age. A very reputable line of cattle for sale that will be ideal to put away on grass and grow out to heavier weights. This line of weaners will be ideal to mark and put away on green feed to heavier weights. At assessment there were 3 x head with slight ring worm marks, not seen as detrimental. **Vendor also has 2 other lots in same sale**
