Assessor Comments	An opportunity presents itself to purchase a group of VERY GOOD QUALITY Charolais & Charolais infused heifers. These females would make excellent future breeders due to their weight for age, softness and faultless temperament. They display impressive feminine attributes and are ready to join to the bull of your choice. Half the draft is sired by a Greenwood Park Red Angus sire leaving very nice red factor coat colour, while the remainder are by a full French ANC bull. The Charolais Cattle Co stock are regularly sold through saleyards and domestic feedlots with favourable feedback and results, as well as winning the weaner steer class at the 2021 Elders special sale. Overall a quality group of future breeders backed by years of high quality Charolais genetics and would be a great asset to anyone's operation. Delivery yards are located right beside a bitumen road for ease of pick up during wet conditions. Please see one heifer which bumped an old Dehorning wound in the last photo.
