	Steers were a pleasure to handle in the yards. A small percentage became agitated when pressured but returned to a calm state when returned to the mob.		
Handled With	Horses		
Assessor Comments	Buyers, on offer is a small but very tidy line of crossbred steers. These steers were weaned off northern bought cows and have done exceptionally well on Oats since May. These steers present in good forward store condition and will power ahead on good feed. The steers would be ideal to grow out to heavy feeder steers or in time would be nice line of steers to grow out to grass fed bullocks. Buyers please note there are 4 bulls in the mob, reason being they were missed at weaning.
