Assessor Comments	Buyers Gilliland Livestock Marketing offers a line of 20 Droughtmaster and Brangus cross steers. Grazed on scrub country at Kilcoy these steers have grown and have a large amount of frame ready to take through to the next level. Purchased out of Toogoolawah sales earlier in 2021 they have been weaned and educated well, making them easy to muster and work through the yards. As can be seen in the photos they are predominantly Droughtmaster cross with 5 Brangus cross and 2 Charolais cross steers. Overall, a very good quality line of steers with plenty of compensatory gain. Buyers note steers are located in tick area however vendor will guarantee clear of the dip.
