Assessor Comments	A good line of Brahman, Brahman cross heifers. Vendor has another lot this sale of Droughtmaster, Charbray type heifers and these heifers were drafted out due to showing more brahman type and hump. Heifers worked well through yards and crush. Purchased for backgrounding and have done very well. Note only 14 out of 20 heifer weighed due to scales breaking down but very confident weight will be a true assessment. Heifers are not station mated but 1 hereford bull got in with heifers for 1 day. Vendor has offered extended delivery due to weather/road conditions to successful purchaser if required. Good heifers that will suit feedlot/fattening operation. Vendor has another lot of 80 head this sale.
