	The Mandalong Special breed are typically flighty cattle when confined in the yards, they are easier to handle in the paddock and are quite happy to be worked with dogs bikes and horses.							
Handled With	Bikes , Dogs , Horses , On foot , Vehicles							
Assessor Comments	A good line of heifers with lots of potential, there is a lead in this line that could be drafted out and joined. Overall this lot offers a great opportunity to put away quality cattle for the summer and have them ready for next year's winter crop. The British Euro cross gives the purchaser endless market options weather it be feedlot, domestic kill or heavy grass fed.
