Assessor Comments	A very nice line of Vendor bred Angus steers Grass fed and antibiotic free 120 in the line being sold as a run out the gate in 2 lines of 60, weighing from 350/395kgs full, bred in the cold country south of Walcha NSW, they have been through 3 snow events this winter, they have a wealth of breeding behind them and if shown some warm weather and fresh feed they will bound ahead. Ideal steers to put onto feed or alternatively finish on grass for the lucrative grass fed markets. Odd steer with some pink eye scarring. Please see in media some Steers with a slight red tinge in their coats. Please note some of these steers have a small injection lump on near side high on the neck. Please note these steers are being sold as a run out the gate of 120 one mark steers.
