Assessor Comments	These Vendor Bred Speckle Park heifers present a rare opportunity to purchase lightweight beef bred heifers, traditionally retained as breeders, due to a downsizing in farm land, this is the second time the vendor has offered their weaners for sale. Bred out of a mixture of vendor bred heifers and cows purchased off auctions plus, their bloodlines inclue Armalea, Wattlegrove, Mount Jack and Maungahina Kidmans Cove. Majority of heifers are F2 or better. An ideal line of heifers to grow out and join or alternatively finish for the trade market. **** Please note the second draft of these heifers are in the same sale to help trucking***
