	Quiet: 16 head	Quiet: 16 head	Temperament not assessed in Paddock

Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	A nice line of 16 weaned bucket reared Speckle Park X Friesian steers sired by the Ai Speckle park bull Spics and Specs and being out of a large framed 700 cow herd. These steers are really on the do and the opportunity to purchase cattle ready for a booming spring is running out. Steers are showing plenty of bone, length and heaps of scope to grow into steers for your chosen market. The steers were weaned on the 20/07/21 and have had 2 shots of 7 in 1, 2 shots of Ultravac Botulinum and a pour-on drench. There was 1 steer showing signs of an old pink eye scar and another steer has a bobtail. The vendor is offering another 3 lots in this sale.
