| Assessor Comments  | A line of 9 vendor bred Angus X mixed sex weaners comprising of 5 steers and 4 heifers being sired by a Merribrook Angus bull and out of medium frame friesian cows. The weaners are showing plenty of growth and size for their age and would be an ideal option for anyone looking for cattle to turn out over the summer months with no work. The weaners all received a pour-on drench 4 weeks ago and the steer calves were marked at this time as well. |
