Very well mannered young females that were a pleasure to assess. Preg tested prior to assessment for buyer confidence, however this caused a couple of heifers to be a bit anxious about leading up in to the crush for a second time, listed above

Assessor Comments	Nice line of Euro x future vealer mothers. Very good for their type, and have never seen a set back in their development. Not a common F1 cross, but are outstanding milkers & have proven to make very good vealer mothers from pervious in-house clients purchasing them. Note. Vendor has another lot of F1 Speckle Park/Friesian in same sale.
