Assessor Comments	91 Angus heifers. Woakwine Station have done an outstanding job on these 16-18 month old heifers presenting in a Forward/Store condition. Weighing 350kg at delivery being the perfect weight to do as you please with them. These heifers were preg tested empty. A small percentage of heifers were showing a small amount of warts around the head an neck area. There were also a small amount or heifers with slight eye scaring but is not deemed to be detrimental to their health.
