Assessor Comments	17 Angus heifers. Woakwine Station have done an outstanding job on these 16-18 month old heifers presenting in a forward/Store condition. Weighing 383.3kg at delivery being the perfect weight to do as you please with them. These heifers were preg tested empty. A small percentage of heifers were showing a small amount of warts around the head and neck area. There were also a small amount of heifers with slight eye scaring but is not deemed to be detrimental to their health. Please note this small lot of 17 is the overflow from the 2 lots of 90 Angus heifers already in this auction.
