Assessor Comments	Buyers a great opportunity ty secure a deck line of good Crossbred cows (with 3 showing more Brahman content) all 4 months plus in calf to good Charolais Bulls from leading studs. These Cows are best described as young to middle aged with the 4 older cows mouthed to be 3 sound and 1 slightly worn, they are predominately larger framed with the lighter weights being second calf heifers. Cows originally from Vendors Mulga properties at Charleville and have done very well since being trucked to Moraby. These cows would be an asset to most breeding herds and are only being sold due to falling out of Vendors calving window. Please note 2 cows observed with slight fly rub marks not considered detrimental. Vendor has 2 other lots this sale to make Bdouble.
