Assessor Comments	Buyers a great opportunity to secure a deck line of Charolais cross cows Pt1c 4 months plus to very good Charolais Bulls sourced from leading Studs. Cows best described as young to middle aged with 2 older cows mouthed to be sound mouth. Cows are predominately large frame with the lighter weights being second calf heifers. Cows have all come from Vendors properties in the Mulga country at Charleville and have done very well since being trucked to Moraby. These cows are only being sold due to falling outside Vendors calving window and have the quality to be an asset to most breeding herds, please note 1 cow observed with long toe on front foot and 2 with slight fly rub marks.
